

Bug ID: 001

Title: Upon searching a username that has a duplicate only displays one employee instead of displaying both employees having the same username.

Steps to reproduce:

1. Go to <https://opensource-demo.orangehrmlive.com/web/index.php/auth/login>
2. Login with valid credentials.
2. Click on PIM.
3. Click on the 'Add' button.
4. Fill input field.
First Name: Mahin
Last Name: Hasna
Id: 111
5. Click on the 'Save' button.
6. Click on 'PIM', click on 'Add', then fill the input field using the same first name, last name, and Employee Id: 112. Click on the 'Save' button.
7. Click on 'PIM'.
8. In the Employee Name field, write 'Mahin Hasan', and click the 'Search' button.
9. Observe employee list.

Expected Result: The system should display both users having the same name.

Actual Result: It only displays one user.

Severity: Low

Screenshot: There are two people named Mahin Uddin shown in the all employee list but upon searching the full name it was only returning one Mahin Uddin.

Bug ID: 002

Title: 'Password' and 'Confirm password' field does not show any validation message when all the required fields are empty.

Steps to reproduce:

1. Go to <https://opensource-demo.orangehrmlive.com/web/index.php/auth/login>
2. Login with valid credentials.
2. Click on Admin.
3. Click on the 'Add' button.

4. Click Search.
5. Keep every field empty.
6. Click on the 'Save' button.
7. Check the validation error message.

Expected Result: The system should display validation message 'Required' for all required fields.

Actual Result: The system displays validation message 'Required' for Username, user role, status, and employee name. It does not display validation messages for 'password' and 'confirm password' fields.

Severity: Low

Screenshot:

The screenshot shows a web application interface with a top navigation bar containing tabs: 'User Management' (active), 'Job', 'Organization', 'Qualifications', 'Nationalities', 'Corporate Branding', and 'Configuration'. A help icon (?) is on the right. The main content area is titled 'Add User' and contains a form with the following fields:

- User Role***: A dropdown menu showing '-- Select --'. Below the field is a red 'Required' validation message.
- Status***: A dropdown menu showing '-- Select --'. Below the field is a red 'Required' validation message.
- Password**: A text input field.
- Confirm Password**: A text input field.
- Employee Name***: A text input field with placeholder text 'Type for hints...'. Below the field is a red 'Required' validation message.
- Username***: A text input field. Below the field is a red 'Required' validation message.

Below the form, there is a note: 'For a strong password, please use a hard to guess combination of text with upper and lower case characters, symbols and numbers'. At the bottom left, it says '* Required'. At the bottom right, there are two buttons: 'Cancel' and 'Save'.

Bug ID: 003

Title: System allows users to submit leave applications for dates that have already passed.

Steps to reproduce:

1. Go to <https://opensource-demo.orangehrmlive.com/web/index.php/auth/login>
2. Click on leave.
3. Click on Apply.
4. Select leave type.
5. Enter a date in the 'From Date' field.
6. Enter a date in 'To Date' that is earlier than 'From Date'.
6. Click Apply.

Expected Result: The system should prevent apply submission and show a validation message.

Actual Result: The system prevented apply submission and showed proper validation message

Severity: Medium
